In this riveting book, he champions the cultivation of altruistic love as the best means for simultaneously benefitting ourselves and our global society, and offers readers practical and inspiring ways to develop their potential for compassion. There's an altruism revolution underway, and it just may be the saving grace for the 21st century.

**Altruism: The Power of Compassion to Change Yourself and ...**

Now he turns his lens from the personal to the global, with a rousing argument that altruism--genuine concern for the well-being of others--could be the saving grace of the 21st century. It is, he believes, the vital thread that can answer the main challenges of our time: the economy in the short term, life satisfaction in the mid-term, and environment in the long term.
