### **BBC - Primary History - World War 2 - Children at war**

Plans were made to evacuate women and children to the countryside. Gas masks were given out, to protect people from poison gas. Fortunately, poison gas bombs were not dropped on Britain. During World War 2 more than 60,000 people in Britain were killed in bombing raids. Houses, factories and schools were destroyed. Many people lost homes and possessions.

### **Children in World War 2 - WW2 Children & Evacuation Impact**

The second world war was more than a battlefield event; it also affected those at home who suffered from the hardship the war brought. Children especially were some of the main victims of wartime Britain.

### **MID TERM Flashcards | Quizlet**

Compared with the first generation, second generation immigrants were more During World War I, the United States government primarily financed the war through.
